# My and our school

Hello!

My school is good, but yours is better. In my school I love languages. It is English, German and my favourite language is Russian. I love Russia people. I love library too.

# My and our school

Hi

I think our school is a good school, because it is a big building and there are good teachers (sometimes).

We have here 24 classes and our class belongs.

In our class we have 1 teacher desk, 10 school desks, 20 chairs. We have here 24 teachers on the second grade. We have 1 school canteen and 1 gym.

We have a good school.

Bye!

Our school

Hi. My name is Mirka. Our school is old. It is 28 years old. I like our school, because we have got 2 computer class-rooms, 2 language class-rooms, library and reading-room, gym. In language class-rooms we learn language: English, German and French. In extra lesson we can learn Russian language. In computer class-rooms we play on computer and learn how to work on computer. We have got 2 yards. In our yard we have got a shelter. During summer we learn there. And we have got school canteen too. In library we can borrow books.

# My and our school

In our school there  
are 24 classes and 40  
teachers. I like our school,  
because we have got  
good teachers, chess club  
and nice boys.  
I like chess club.  
The children in my  
class are my friends.  
My best friend  
is Pavlínka.
